**Mileage reimbursement for travel within the city of work**
Mileage within the city, town or immediate vicinity of one’s duty station is not reimbursable, except in rare instances. Written pre-authorization from the Vice Chancellor for Business & Finance is required. A copy of this authorization must accompany corresponding expense reimbursement requests and these requests must be approved by the cognizant dean or director. Any claims for local transportation must be accumulated and submitted no more frequently than monthly and must include the date, itinerary, purpose and mileage for each individual trip. This information must be provided on the Employee Expense Voucher (http://go.unl.edu/zuiz) or on a supporting travel log attached to the expense voucher. Travel expenses incurred between an employee's home and work location are considered to be commuting expense and will not be reimbursed.

**Mileage to/from a temporary work location**
Travel expenses incurred between an employee's home and a temporary work location (business trip) may be reimbursed. This includes travel from an employee's home to/from the airport for an extended trip. A pre-trip authorization must be approved ahead of time for any reimbursement for travel between an employee’s home and temporary work location. Contact a Business and Finance Team member (cfpa-business@unl.edu) for assistance.

**Mileage reimbursement for group travel**
Only the authorized traveler who furnishes a private vehicle for group trips may claim and be reimbursed for mileage.
