Guidelines

- **Eligibility:** Students must be enrolled on a full-time basis at the time of application and be making satisfactory progress toward a degree in one of the undergraduate or graduate degree programs offered in the College. Students who are pursuing multiple majors must have the Hixson-Lied College of Fine and Performing Arts as their home college to qualify for funding.
- **Student groups:** This grant is intended to support activities by individual students or *small* student groups where collaboration is critical to the success of the activity (e.g., a chamber music group). Groups of 5 or more may need to seek funding from another source. This grant is not intended to support standing groups or ensembles that are an ordinary part of an academic program.
- **Scope:** Funds may be used to support expenses related to the purchase of materials as well as for travel related to the presentation, exhibit or performance.
- **Time frame:** Presentations must be completed prior to graduation. Funds must be used before recipient graduates. Funding may not be used to reimburse expenses incurred before the grant is awarded. Funding may only be used for activities that fall within the funding period.
- **Off-campus activities:** All awards are contingent upon adherence to University policy governing off-campus activities.
- **Sponsor:** Students must be sponsored by a faculty member in their school.
