

Hixson-Lied College Staff Awards

Three awards are now offered each year. Each award will receive a stipend of \$2,000.

- 1) **Hixson-Lied College Outstanding Staff Award** to be awarded to a staff member whose overall performance has regularly and consistently exceeded expectations and has reflected a high level of service throughout their years of service.
- 2) **Hixson-Lied Staff Award for Exemplary Service** to be awarded to a staff member who has demonstrated exemplary service to the College or Academic Unit over the preceding 12-month calendar year.
- 3) **Hixson-Lied M.V.P. Award** to be awarded to a staff member who has provided support to the College or Academic Unit behind-the-scenes.

Details about each award and the nomination process are on the subsequent pages of this document.

Additional information:

All nominations must be submitted to the Associate Dean by Feb. 14, 2022.

A nomination review committee will review all nominations and typically select one award winner in each category annually. If no nominations are received in a particular category OR if the nominations received in a category are deemed ineligible or inadequate for an award, the nomination review committee may present a second or third award in one of the other two categories at their discretion.

A staff member may only be considered for one award in any given year and is not eligible to be nominated if they won a Hixson-Lied staff award in any category in the previous year. (If a staff member is nominated by more than one person in more than one category in a given year, the nomination review committee will determine which category is most appropriate for the nominee.)
