

UNL & LPS STRING PROJECT GUIDELINES

- 1) Spring Concert: Students should be in concert dress for the dress rehearsal and can bring a snack to have during the break between the 4:30 dress rehearsal and the 5:30 concert. NOTE: Parents are responsible for supervising their children during the short break between the rehearsal and concert.
- 2) Attendance: All **students** are **expected to attend every class**. If a student is sick, please contact Dr. Becker immediately via email (stringproject@unl.edu) and let her know why your child won't be in class.
- 3) Class Cancellations: If LPS is canceled due to inclement weather, String Project classes are also canceled.
- 4) Class behavior: Students are expected to behave appropriately in class. We want to have fun, but they are expected to be respectful and be on their best behavior. Cell phone use will not be tolerated.
- 5) Expectations for Practicing: This will be discussed at the Orientation. Students will receive practice sheets on which to record practice time. In order to make significant progress and to feel good about how they sound, students are expected to practice five days a week in addition to the String Project class times.
- 6) The entrance for Park Middle School: Students will enter and exit the building through the main entrance (south side of the building).
- 7) Materials to bring to classes: All students should bring the Essential Elements book and other assigned materials to class each day, along with their instrument and bow and a pencil.
- 8) Concert attire: Black (or dark) pants or skirt, dark shoes (no sneakers) and white dress shirt (no t-shirts and no tie)
- 9) All of this information is also on the String Project website: <http://arts.unl.edu/music/string-project>
