Final Recital Grade:

Final Recital grade weighting: 2/3 instructor, 1/3 supervisory committee. B- or better= approved.

Required Procedure & Timeline

1. Within 24 business hours after the recital, the Chair of the Supervisory Committee will solicit comments and a recital grade from each Committee Member by email. The email should inform the Committee members of the Chair's intention to circulate either a summarized version or a verbatim (either attributed or unattributed) version of the comments.

NOTE: The grade of B- is the lowest passing grade that can be given on a recital. ("For students on a GTA, a grade of B or better in all course work is required for continuance of the assistantship." GKSOM Master of Music and Doctoral Handbooks, *Grade Requirements*).

A. If all Committee members assign a passing grade of "B" or better and no serious areas of concern are identified, the Chair will submit the summarized comments or the verbatim (either attributed or unattributed) version of the comments using the Recital Comments Submission Form (provided via email). The GKSOM Graduate Coordinator will then will send the comments, along with the Graduate Recital Review Form to obtain grades and signatures via Docusign.

B. If there are one or more grades of B- or lower, a meeting must be called to discuss the recital before the Review Form is circulated.

C. In case of serious concerns which are identified despite unanimous passing grades, a meeting may be called by the Supervisory Committee Chair before the Review Form is circulated.

2. The signing process must be completed within 2 weeks of the recital.
